

As of Feb. 17

**The 15th Multi-GNSS Asia
Annual Conference 2025
4th to 6th March 2025 :
Phuket, Thailand**

The 15th MGA Annual Conference

Overview

Date : 4th to 6th March 2025

* 4th Opening, 5th and 6th Conference,

Note: Demo excursion planned on 7th of March has been canceled. Demos will be set up in the morning of March 6 in the venue.

Two IGS relative workshop on 3rd and 4th of March, and WG-D meeting will be held on 4th of March.

Venue: Phuket, Thailand (Duangjitt Resort and Spa)

Co-organized by : Multi-GNSS Asia, Cabinet Office, GISTDA

Theme : Navigating the Future: Enhancing Connectivity, Sustainability & Safety

The 15th MGA Annual Conference Side events (ICG relative meetings)

3rd March 2025 Monday

09:00 - 17:00	IGMA and PS (Performance Standard) Workshop
14:00 - 17:00	PPP(Precise Point Positioning) Interoperability Workshop
17:00 - 19:00	MGA Steering Committee Meeting

4th March 2025 Tuesday

09:00 - 12:00	IGMA and PS (Performance Standard) Workshop
	ICG WG-D meeting

The 15th MGA Annual Conference

Opening session and Networking

4th March 2025 Tuesday

16:30 - 17:00	Welcome Speeches Cabinet Office GISTDA ICG(UNOOSA) MGA
17:00 - 17:50	MGA Platinum and Diamond Sponsors' talk
18:00 - 21:00	Dinner Reception & Networking

5th March 2025 Wednesday

**Under
Consideration**

10:00-12:30	System Provider Session Moderated by Mr. Jeff M. Auerbach
12:30- 13:30	Lunch Break
13:30-15:00	Emerging System session LEO-PNT Moderated by Dr. Masaya Murata Dr. Alexander Mitelman (USDOT) (in-person) Mr. Patrick Shannon (TrustPoint) (remote) Dr. Tyler Reid (Xona Space) (remote) Mr. Pietro Giordano (ESA) (remote) Dr. Daehee Won (KARI) (remote) Dr. Yoji Takayama (Furuno Electric) (in-person) Dr. Masaya Murata (JAXA) (in-person)
15:00-15:30	Break
15:30-16:00	MGA Platinum and Diamond Sponsors' talk
16:00-17:30	Emerging System session, Lunar PNT Moderated by Dr. Masaya Murata Dr. Javier Ventura-Traveset (ESA) (remote) Ms. Cheryl Gramling (NASA) (remote) Mr. Ricardo Verdeguer Moreno (Spirent) (in-person) Dr. Jung Min Joo (KARI) (in-person) Dr. Ashish K Shukla (ISRO) (remote) Dr. Masaya Murata (JAXA) (in-person)

6th March 2025 Thursday

	Application Session	Research Session
09:30-10:30	Disaster and Environmental problem mitigation & early warning Moderated by Prof. Suelynn Choy Prof. Suelynn Choy Allison Craddock (IGS CB, JPL/NASA)	High Accuracy GNSS positioning Moderated by Prof. Nobuaki Kubo Dr. Kaito Kobayashi(TUMSAT) (in-person) Dr. Rosalie Reyes(University of Philippines) (in-person) Mrs. Ellarizza Fredeluces(TUMSAT) (in-person) Napat TKS(KMITL) (remote)
10:30-11:00	Break	
11:00-12:00	Demo session	
12:00-13:00	Lunch break	
13:00-14:00	GNSS service for mass market Moderated by Dr. Victor Khoo	Enhancing PNT Capabilities Through Multi-Sensor Integration Moderated by Prof. Chalermchon Satirapod Dr. Surachet Srinara (graduated from NCKU, Taiwan) Ms. Anuthida Ritthiphan (Department of Survey Engineering, Chulalongkorn University, Thailand) Mr. Cheng-Wei Wang (National Cheng Kung University)
14:00-15:00	ICG related activities Moderated by Satoshi Kogure	Enhancing GNSS Reliability (security, authentication, robustness) Moderated by Prof. La The Vinh Prof. La The Vinh Dr. Thuan
15:00-16:00	Gold Sponsor Session + Closing session Moderated by Mr. Satoshi Kogure
